General Instructions

- Candidates are provided an opportunity to select their preferred date and shift for the examination from the available slots in their chosen city. The slot selection link will be available on the official SSC website (<https://ssc.gov.in>) for a limited period only. Candidates are advised to complete the slot selection well before the closing date to avoid last-minute inconvenience.
- Availability of slots depends on city-wise and centre-wise capacities uploaded by the Commission and also the category of the candidate. Slots will be displayed on a first-come, first-serve basis and once a slot reaches full capacity, it will no longer be available for selection. Candidates must select their slot carefully, keeping in view travel convenience and examination readiness.
- As a one time measure only for CHSLE 2025, if a candidate fails to exercise the slot selection option within the prescribed time, the system will automatically allocate an available slot in any of the cities opted during the application window or available. The decision of the Commission regarding slot allocation shall be final and binding.
- Persons with Benchmark Disabilities (PwBD) will be allotted slots as per the dedicated PH capacity available at the selected city or centre.
- Once a slot (date and shift) has been confirmed and allotted, no request for change of slot, city, or shift will be entertained under any circumstances. Candidates are therefore advised to verify all details carefully before final submission.
- Admit Cards indicating the exam date, shift, and centre will be made available after finalization of slot allocation. Candidates must download their Admit Cards from the official SSC website only and check all particulars carefully.
- In case of slow response or server unavailability during the slot selection period, candidates are advised to wait and try again after some time. The Commission shall not be responsible for non-selection of slot due to last-minute rush.
- Candidates should use an updated web browser such as Chrome, Edge, or Firefox and a stable internet connection for best performance. Accessing the slot selection link from public or shared computers or through mobile browsers is discouraged for security reasons.
- The slot allotted by the system shall be treated as final for examination scheduling. The Commission reserves the right to modify or re-allot slots under exceptional circumstances due to administrative, technical, or operational reasons.
