Financial assistance to players from the Governor's Fund

Why in News?

- Rajasthan won five gold medals in the '3rd National Lacrosse' competition last year. For the Olympic sport of lacrosse, Rajasthan Governor Shri Haribhau Bagde has provided financial assistance of ₹10.20 lakh from his discretionary fund to support the state's players' performance at the national and international level. This amount has been provided to the players participating in the 2nd Federation Cup of Lacrosse, an Olympic sport, to be held in Jammu from December 5-7, 2025.

Key Points:

- Assistance of ₹10.20 lakh from the Governor's Discretionary Fund has been provided to 28 male and female players from the Udaipur division who are participating in the 2nd Federation Cup Lacrosse to be held in Jammu from December 5-7.
- **Objective:** To prepare players for excellent performance at the national and international level by assisting them with expenses such as travel, kit, training, etc.
- On the inclusion of lacrosse in the upcoming 2028 Los Angeles Olympics, the Governor has called upon the players to prepare for excellent performance in all categories from now on, so that Rajasthan can be kept ahead in the race for Olympic medals.

Diana in the Desert: Production at 'CAZRI'

Why in News?

- Experiments conducted by the Central Arid Zone Research Institute (CAZRI) on fig cultivation during the COVID-19 pandemic have been successful after four years.

Key Points:

- CAZRI has achieved a good fig production this year.
- CAZRI imported approximately 300 Diana variety fig plants from Hyderabad in 2021 and planted them using tissue culture techniques.
- This variety grows well even in low water. If scientific management continues, fig orchards could be established on 50,000 hectares in the Thar Desert in the coming years.
- The Diana variety is a model inspired by Turkish figs, where figs are grown in the large number. Planting these at a distance of 6 x 6 meters and using drip irrigation can save 70% of water.

Tanisha from Rajasthan is the best paratrooper

Why in News?

- NCC Cadet Tanisha Rajpurohit from Rajasthan has won the Best Paratrooper Award among the All India Senior Wing Cadets at the Para Basic Course in Paratrooping held from November 3-25 at the Army Airborne Training School, Agra.

Key Points:

- This course is considered one of the most challenging adventure trainings in the NCC, involving a parachute jump from an AN-32 transport aircraft from a height of 1250 feet.
- Four cadets have been selected from the Rajasthan Directorate:
 - o **Jaipur Group** – Cadet Bhumika Saini (Senior Wing)
 - o **Udaipur** – Cadet Tanisha Rajpurohit (Senior Wing)
 - o **Kota** – Senior Under Officer Mahendra Singh Shaktawat
 - o **Jodhpur** – Under Officer Krishna Kanwar Rathore

Pilot Project to Link Jamabandi with Aadhaar (Jan Aadhaar)

Why in News?

- The Rajasthan government has launched a pilot project to link Jamabandi with Aadhaar (Jan Aadhaar), ensuring farmers to receive instant messages on their mobile phones for every land-related transaction and preventing fraud. Arjunpura village in Arai tehsil of Ajmer district and a village in Nagaur district have been selected for the pilot project; upon success, it is planned to expand it to the entire division and then the state.

Key Points:

- A Proof of Concept (PoC) will be conducted to integrate the Jamabandi-Aadhaar (Jan Aadhaar) seeding module, Farmer Registry ID, and DCS Girdawari data and other technical implementation will be done in collaboration with the NIC.

Daily Current Affairs

 Date : 28 November, 2025

- Any land-related transaction, such as purchase, sale, mortgage, name transfer, etc., recorded in the registrar/revenue records, will be notified via SMS to the farmer's registered mobile number; this will curb fraudulent sales, duplicate registrations, and fraud.
- Farmer registry and an 11-digit unique Farmer ID will be created based on the accounts whose Jamabandi is linked to Jan Aadhaar/Aadhaar and all future benefits of schemes like PM Kisan, crop insurance, KCC, subsidies, and MSP will be provided based on this ID.
- Farmer registry of approximately 8 million farmers in the state has been completed and they are being issued unique IDs.
- Enrollment of approximately 88–89% of Rajasthan's (approximately 9 million) farmers under the PM Kisan scheme has been completed, and hence the use of Farmer ID/Jamabandi linked data will increase in the distribution of benefits going forward.
