### Justice Sangeet Lodha Committee

#### Why in News?

- Recently, the 'Justice Sangeet Lodha Committee', constituted by the Supreme Court, visited the Jojari, Bandi, and Luni river system and assessed the pollution in the rivers.

#### Key Points:

- The purpose of this visit was to assess the severe industrial and sewage pollution, inspect the treatment plants (CETPs), collect water samples, and document the damage caused to villages like 'Doli Kalan and Devasiyon ka Bas'.
- It is noteworthy that the Supreme Court has constituted a High-Level Ecosystem Oversight Committee to address the deadly pollution in the Jojari, Bandi, and Luni rivers, considered the lifeline of Western Rajasthan. This committee is headed by retired Justice Sangeet Lodha.

--2--

- The Supreme Court's decision on the pollution of the Jojari, Bandi, and Luni rivers in Western Rajasthan is a strong judicial intervention against administrative failure.

## The Entire Case and Court's Observations

- **Source of Pollution:** This case concerns the deadly pollution caused by industrial waste (especially from steel and textile units) and sewage, which has poisoned the rivers of Jodhpur, Pali, and Balotra.
- **Administrative Failure:** The court found that two decades of administrative negligence have endangered the lives of approximately 2 million people, their livestock, and the environment.
- **Violation of Constitutional Rights:** Justice Sandeep Mehta considered this horrific pollution a violation of the people's constitutional right to life under Article 21.

## High-Level Ecosystem Oversight Committee (HLEOC)

- The Supreme Court has constituted a High-Level Ecosystem Oversight Committee (HLEOC) to monitor the situation and ensure restoration.
- **Chairperson:** Justice (Retired) Sangeet Lodha.
- **Key Members:** Additional Chief Secretary (Environment Department), Member Secretary (CPCB and RSPCB), Managing Director (RIICO), and the District Collectors of Jodhpur, Pali, and Balotra.

## Facts for Prelims:

### Jojari River:

- **Origin:** From the hills of Pundlu village in Nagaur district.
- **Total length:** 150 km.
- It is the longest tributary of the Luni River.
- The Jojari River flows through Jodhpur and enters Balotra in the southwest, finally joining the Luni River near Siwana.
- It is the only right-bank tributary of the Luni River.
- **Other tributaries of the Luni River:** Jawai, Sukri, Guhiya, Bandi, Jojari, Mithri, and Khari River.

## Indigenous Digital Address System 'Bharatpin'

### Why in News?

- Deepak Sharda, a resident of Barmer, recently developed the indigenous digital address system 'Bharatpin'.

### Key Points:

- 'Bharatpin' is a type of startup that can create a digital map of any area in India with 1-meter accuracy.
- This digital address system uses artificial intelligence (AI), providing 1-meter accuracy for areas within India and 100-meter accuracy for any area in the world.

 Date : 03 January, 2026

## Features:

- Bharatpin is a new digital addressing system with two parts - "UPIN and PPIN".
- UPIN + PPIN creates a precise digital address for any location. This address is a 7-character/digit code.
- **Note:** India's first indigenous digital address system is 'DIGIPIN' (Digital Postal Index Number), developed by India Post in collaboration with IIT Hyderabad and ISRO. Unlike the traditional PIN code, it provides a precise 10-digit digital code for every location, improving accuracy in deliveries (e.g., e-commerce, money orders).

- **Discovery:** By William Claxton Peppe in 1898.
- **Relics:** Over 1800 gems, five reliquaries (sacred relic boxes), bone relics, crystal caskets, other ritual offerings, and soapstone vessels.
- **NOTE:** One casket bears an inscription in Brahmi script that directly links the relics to Lord Buddha.

## ENVIRONMENT & ECOLOGY

### The Amazon Rainforest's Stingless Bee

#### Why in News?

- The municipality of Satipo in Peru has adopted a municipal ordinance declaring the rights of the stingless bee tribe, Meliponini.
- This ordinance grants legal rights to this bee to protect Peru's biocultural heritage.

#### Key Points:

- This is the first time that insect rights have received legal recognition globally.
- **Recognized Rights:**
  1. The right to existence and flourishing.
  2. The right to maintain a healthy population.
  3. The right to regenerate natural cycles.
  4. The right to a pollution-free environment.
  5. The right to ecologically stable climatic conditions.
  6. The right to legal representation in cases of harm or threat.
- **Note:** Human guardians, such as indigenous leaders or experts, can represent the stingless bees and file lawsuits against polluters on their behalf.

#### Other Important Points:

#### Stingless Bees; Meliponini:

- **Habitat:** Tropical and subtropical regions (Amazon rainforest).
- It is one of the oldest bee species found on Earth, responsible for pollinating more than 80% of the plant species in the Amazon.
- They are stingless, meaning they have only a small, vestigial stinger.
- **Cultural Significance:** Stingless bees are an integral part of the culture of the indigenous Ashaninka and Kukama-Kukamiria people.

## ECONOMIC SCENARIO

### Central Excise (Amendment) Act, 2025

#### Why in News?

- The Central Government has notified the Central Excise (Amendment) Act, 2025 and related tax changes on tobacco products.

#### Key Points:

- **Effective:** February 1, 2026
- **Objective:** To increase tobacco prices in line with public health and fiscal objectives.
- **Amendment:** This Act amends the Central Excise Act, 1944.
- **Revision of Excise Duty Rates:** The central excise duty on tobacco has been updated to maintain and increase the overall tax burden after the expiry of the GST compensation cess.
- **NOTE:** A three-tiered structure is applicable to tobacco and tobacco products, including GST, GST compensation cess, and central excise duty.
- **NOTE:** After the implementation of GST in 2017, central excise duty was abolished on most goods, but tobacco and tobacco products remained under its purview.

#### Impact and Implications:

1. Aligned with health policy (in line with WHO recommendations)
2. Revenue strengthening
3. Protection of state governments' revenue (cooperative federalism)

#### Other Important Points:

- **GST Compensation Cess:** An additional levy imposed on select goods to compensate for the revenue loss incurred due to the implementation of GST.
- **Commencement:** July 2017
- **Duration:** 5 years (until June 2022)
- **Note:** Due to the revenue shortfall related to COVID-19, it was extended until March 31, 2026.
